

RANGE ROVER

KIT

2010+ AND 2003-2009 MODEL YEAR ACCESSORIES

Range Rover stands alone as the ultimate, supreme luxury four-wheel-drive vehicle with its stunning design, extraordinary interior and renowned capabilities. This is your opportunity to make the Range Rover uniquely yours by adding these exclusive finishing touches. Accessories bring even more style, capability and individuality to the vehicle. Keep in mind that most accessories can be added at any stage during your Range Rover's life. Please ask your Land Rover Retailer for the details. Your Range Rover won't be complete until you've made it yours — with genuine Land Rover KIT.

Why Buy Genuine Land Rover KIT?

KIT: The Land Rover Retailer-fitted vehicle accessory range engineered specifically for Land Rovers

Just as all Land Rover vehicles deliver outstanding on- and off-road performance, so does the extensive range of Land Rover engineering-approved accessories. As a complement to the Land Rover owner's lifestyle, these accessories are engineered to ensure seamless integration with Land Rover vehicles.

KIT has no equal — ranking above any aftermarket counterpart — when it comes to proper performance with Land Rovers. Here's why:

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Land Rover KIT.

VIRTUAL ENGINEERING

Computer-Aided Design helps ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish one expects from Land Rover.

ENVIRONMENTAL

Different climates provide different challenges for these accessories. Land Rover KIT is tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the vehicles themselves — rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.

WARRANTY

KIT is covered by the same limited new vehicle warranty as your Land Rover when installed at the time of customer delivery.

WHEELS

A set of striking alloy wheels for the new 2010 Range Rover can add that dash of personalization. A number of unique designs have been created to surpass the most demanding requirements while extreme winter conditions are addressed with a snow traction system.

20-inch V-Spoke Alloy Wheel (Rim only)
Sparkle Silver Finish* — LR008766
2010 vehicles onward

Recommended Tire:
Continental Conti Cross UHP 255/50 R20 109V AT-S

Center Cap:
Sparkle Silver Finish — RRJ500030WYS**
High Gloss Silver Finish — RRJ500030WYT**

20-inch 10-Spoke Alloy Wheel (Rim only)
Sparkle Silver Finish* — LR010666
2010 vehicles onward

Recommended Tire:
Continental Conti Cross UHP 255/50 R20 109V AT-S

Center Cap:
Sparkle Silver Finish — RRJ500030WYS**
High Gloss Silver Finish — RRJ500030WYT**

20-inch 10-Spoke Alloy Wheel (Rim only)
Polished Finish* — LR017926
2010 vehicles onward

Recommended Tire:
Continental Conti Cross UHP 255/50 R20 109V AT-S

Center Cap:
Bright Polished Finish — RRJ500060WYU**

* Must be ordered as a set of five wheels per vehicle
** Black/Silver Land Rover Badge

Please note: When choosing vehicles fitted with specific wheel and tire combinations or optional wheels and tires, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tires will offer benefits in road holding and handling, but may be more vulnerable to damage in some off-road conditions. Please discuss your requirements with your Land Rover Retailer when selecting your vehicle and specification.

20-inch 6-Spoke Alloy Wheel (Rim only)
Diamond Turned Finish* — LR012835
2010 vehicles onward

Recommended Tire:
Continental Conti Cross UHP 255/50 R20 109V AT-S

Center Cap:
Bright Polished Finish — RRJ500060WYU**

20-inch Bi-Colored Alloy Wheel (Rim only)
2006-09 gasoline and TDV8 vehicles only — LR005241

Recommended Tire:
Continental Conti Cross UHP 255/50 R20 109V AT-S

Center Cap:
Bright Polished Finish — RRJ500060MUZA
Bright Polished Finish — RRJ500060WYU**

20-inch 10-Spoke Alloy Wheel (Rim only)
Polished Finish — 2006-09 gasoline and TDV8 vehicles only
315MHz — RRC503940MMM

Recommended Tire:
Continental Conti Cross UHP 255/50 R20 109V AT-S

Center Cap:
Bright Polished Finish — RRJ500060MUZA
Bright Polished Finish — RRJ500060WYU**

* Must be ordered as a set of five wheels per vehicle
** Black/Silver Land Rover Badge
^ Green/Gold Land Rover Badge

Please note: When choosing vehicles fitted with specific wheel and tire combinations or optional wheels and tires, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tires will offer benefits in road holding and handling, but may be more vulnerable to damage in some off-road conditions. Please discuss your requirements with your Land Rover Dealer when selecting your vehicle and specification.

20-inch 9-Spoke Alloy Wheel (Rim only)

Sparkle Silver Finish — RRC502690MNH

For 2006-09 gasoline and TDV8 vehicles only

Recommended Tire:

Continental Conti Cross UHP 255/50 R20 109V AT-S

Center Cap:

Sparkle Silver Finish — RRJ500030MNH^

Sparkle Silver Finish — RRJ500030WYS**

Snow Traction System

For front 20" wheels only

LR005737

Snow Chains

(not shown)

For rear 18" and 19" wheels

VUJ000020

Locking Wheel Nuts

These exclusively designed Locking Wheel Nuts help deter wheel theft. They're finished in black to match your Range Rover's lug nuts.

For 2006 vehicles and newer — VUB504120

For 2003-05 vehicles — RRB500040

** Black/Silver Land Rover Badge

^ Green/Gold Land Rover Badge

Note: Pre-2006 Alloy Wheel styles and wheel nuts are not compatible with 2006 vehicles and newer. Contact your Land Rover Retailer for more information.

Please note: When choosing vehicles fitted with specific wheel and tire combinations or optional wheels and tires, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tires will offer benefits in road holding and handling, but may be more vulnerable to damage in some off-road conditions. Please discuss your requirements with your Land Rover Retailer when selecting your vehicle and specification.

ABS Valve Stem Caps

Enable the Land Rover presence to permeate every detail of your Range Rover — right down to its tire valve stem caps (Tire Pressure Monitoring System compatible).

Full-color Land Rover logo — LR006186

Black logo on silver background — LRN90310

EXTERIOR

The Range Rover's elegant lines can be tailored to meet more individual tastes with a number of uniquely styled exterior accessories. Deployable side steps aid entry and exit, as well as roof loading. They are automatically activated when the doors are opened and then stowed as the doors are closed. Side protection tubes are available in stainless steel and black finishes, while a bright finish mirror kit also adds extra sophistication.

Fixed Side Steps

Includes integrated front mudflaps.
VUB503660

Deployable Side Steps* (deployed)

This smart, practical product helps ease entry and exit to and from the vehicle. Neatly stowed under the sills, the side steps automatically deploy as soon as a door is opened or by using the key fob, then stow when the door is closed. The side steps are sensitive to obstructions and will not deploy in off-road or low-range settings. Automatic mode can be overridden to allow access to the roof when the doors are closed. The deployable side steps are compatible with front mudflaps and feature a Range Rover-branded tread mat. VPLMP0041

Electronic Control Unit (ECU)*

For 2010 vehicles onward — VPLMP0026

For 2007-09 vehicles — LR004028

Wiring Harness*

For 2010 vehicles onward — VPLMV0023

For 2007-09 vehicles — VPLMV0022

*The Electronic Control Unit (ECU) and Wiring Harness must be ordered with deployable side steps.

Deployable Side Steps (stowed)

Side Protection Tubes – Stainless Steel
Can be fitted with or without front mudflaps.
VJB001230

Side Protection Tubes – Black Steel
Can be fitted with or without front mudflaps.
VJB002510

Bright Finish Mirror Kit

For 2010 vehicles onward (upper) — VPLMB0041
For 2002-09 vehicles (upper) — VJB503880MMM
For 2002-09 vehicles (lower) — LR003905

Body-Colored Mirror Kit (not shown)

For 2003-09 vehicles only.
Buckingham Blue — LR004863
Chawton White — LR004862
Java Black — LR004864
Rimini Red — LR004833
Stornoway Grey — LR004837
Zermatt Silver — LR004836
Primed (Upper) — LR004867
Primed (Lower) — LR004866

Double Louvres

These functional power vents add a bold touch to your Range Rover and can be painted to match your vehicle's body color.
Paintable — VUB002200
Chromed — VUB002200MMM

Bright Finish Power Vents
VUB503650

Wind Deflectors

Limit wind noise and airflow into your Range Rover when driving with the windows open with these easy-to-attach, smoke-colored Wind Deflectors.
Sunroof — LR006517
Side Windows — LR006516
Hood — LR006518

License Plate Frames

Add an appropriate finishing touch to your Range Rover with attractive license plate frames.

- Matte Black Finish with Range Rover Logo — LRN61610
- Brushed Silver Finish with Range Rover Logo — LRN61620
- Polished Silver Finish with Range Rover Logo — LRN61630
- Matte Black Finish — LRN91640
- Brushed Silver Finish — LRN91650

- Brushed Silver Finish with Land Rover Logo — LRN91620
- Polished Silver Finish with Land Rover Logo — LRN91630

Land Rover Logo Plates

Trumpet the arrival of your Range Rover with these durable, stylish Land Rover Logo Plates which feature a domed raised medallion mounted to the plate.

- Brushed Silver — LR007528
- Matte Black — LR007529

Front Mudflaps

Compatible with deployable side steps.
CAS500060PMA

Rear Mudflaps

CAT500070PMA

Rear Lamp Guards

For 2003-09 vehicles — VUB001080

Note that the accessories on this page are not available on 2010 vehicles.

A-Frame Protection Bar

Made from soft feel polyurethane. Not compatible with the Electric Winch.

For 2006-09 vehicles — LR005239

For 2003-05 vehicles — VUB000840

Park Distance Adaptation Kit

The Park Distance Adaptation Kit is included with the Protection Bar for 2006-09 vehicles.

For 2003-05 vehicles — VUB000880

Wraparound Protection Bar (not shown)

Extended protection for front headlamps. Not compatible with the Electric Winch.

For 2006-09 vehicles — LR005744

For 2003-05 vehicles — VUB001100

For 2003-05 vehicles (primed) — VUB001110

License Plate Bracket for Front Protection Bar

VUB500670

Modular Steel Brush Bar (2003-05 model years only)

Bolster your Range Rover's front-end protection and presence with this refined, yet sturdy, brush bar. This black, one-piece, nylon-coated steel bar slickly wraps around your vehicle's front bumper. Note: The removable front Lamp Guards shown must be ordered separately (part number VUB000800).

Black for 2003-05 vehicles — VUB000780

Stainless Steel for 2003-05 vehicles — VUB000790

Park Distance Control Front Adaptor Kit for use with VUB000780 and VUB000790 (2003-05 vehicles only) — VUB001050

Driving Lamp Mounting Brackets (not shown)

Mounting bracket for auxiliary lamp kit to modular steel brush bars (2003-05 vehicles).

VUU500020

Driving Lamp Kit*

For improved visibility in all conditions. Individual reflection facets create a brighter and more uniform beam. Removable stone guard for easy cleaning. Additional mounting brackets required (see below). Also fits directly to Protection Bar without additional brackets.

For 2003-06 vehicles — VUB001090

Driving Lamp Bumper Mounting Brackets, Pair* (not shown)

For 2006 vehicles — VUU500330

For 2003-05 vehicles — VUU500030

Lamp Switch Panel* (not shown)

FBX500010 also required.

Driving Lamp Covers, Pair* (not shown)

VUS500010

*Not compatible with 2007-09 vehicles.

Car Cover

Cloak your vehicle in a reliable, pliant Car Cover that rebuffs rain, snow, dust and other environmental intruders. It's easy to store when your Range Rover ventures outside the garage. LRK70500

CARRYING AND TOWING

Despite the Range Rover's impressive load carrying abilities, extra capacity is sometimes required. Eight specialized roof carriers are available to handle a variety of items, from sailboards to suitcases. There is also a rear-mounted bike carrier. Should even greater load carrying capabilities be required, towing equipment is available.

Roof Rails and Crossbars

Adjustable position crossbars included for carrying all Land Rover roof-mounted accessories featured. Lockable for security. Load capacity: 201 lbs. Vehicle height when fitted: 77.35". CAB000040PMA

Sports Bars

Fixed position crossbars for carrying Land Rover roof-mounted accessories. Easily removed when not in use. Aerodynamic profile. Load capacity: 212 lbs. Vehicle height when fitted: 76.36". VUB502790

Aqua Sports Carrier*

Carries one surfboard or sailboard and mast, or one canoe or kayak. Load capacity: 99 lbs. LR006846

Luggage Box*

Lockable for security. Opens from both sides. External dimensions: 63" long x 37" wide x 16" high. Volume: 118 gallons. Load capacity: 132 lbs. VPLDR0003

Ratchet Strap

Tie strap for securing items onto roof racks. Length: 16'4".
CAR500010

Lashing Eye Kit

Six additional tie-down points for use with T-slots on Roof Rails and Crossbars or Sports Bars.
VUB503160

Luggage Carrier*

Load capacity: 191 lbs. on Sports Bars;
181 lbs. on Roof Rails and Crossbars.
LR006848

Ski and Snowboard Carrier*

Lockable for security. Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Load capacity: 79 lbs.
LR006849

Sports Box*

Can be mounted on either side of the vehicle for curbside opening in any country. Internal retention system for skis or other long objects. Lockable for security. External dimensions: 90" long x 24" wide x 15" high. Volume: 105 gallons. Load capacity: 132 lbs.
VPLDR0002

Expedition Roof Rack

Load capacity: 178 lbs. Vehicle height when fitted: 78½".
CAB500070PMA

*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted.

Swing-Away Bike Rack

Transport bikes with this durable rack that swings away for easy loadspace access. 4-bike capacity rack — LR005983

Bike Carrier (Ride Ready)

Securely transport your bike on the roof of your Range Rover with this durable, lockable carrier that conveniently requires no disassembly of the bike. LR006847

Rolling Duffel Bag

This rainproof duffel bag features 4 cu. ft. of storage, a telescoping handle and inline wheels. It easily attaches to, and detaches from, the Luggage Carrier. LR004681

Bungee Cargo Net

Secure cargo with this durable cargo net that will not rust or scratch your gear. Extremely flexible, this net works especially well with the Land Rover Luggage Carrier (LR006848) found on page 15. LR005083

Roof Cargo Bag

Store up to 15 cu. ft. of goods in this durable, attractive bag. Made from weatherproof materials and comes with eight straps. Works ideally with the Luggage Carrier (LR006848) found on page 15. LR004683

Cargo Carrier

Carry additional items and gear without compromising interior space with this 13.5-cu.-ft. storage pod. This durable container holds up to 250 lbs. and comes with tail lights and a detachable 21" x 49" tray. Requires Towing Electrics Kit (see page 18), sold separately, for installation. LR004682

Trailer Hitch Kit

Pull your weight with strength and confidence using the durable Trailer Hitch Kit. A tracking target sticker is required for Range Rovers fitted with the Trailer Assist option. See your retailer for details.
LRK20941

Towing Electrics Kit

These sockets help you enlighten your load. They're mounted conveniently in your vehicle's rear bumper and provide the electrical power needed for rear lighting on your trailer. Must be used with the Trailer Hitch Kit. (Item not shown.)

Towing Electrics Kit for 2010 vehicles onward —
VPLMT0008

Towing Electrics Kit for 2006-09 vehicles — YWJ500480

Towing Electrics Kit for 2003-05 vehicles — YWJ500012

Tow Strap

Includes a storage bag that can be attached as a warning flag to the strap. Maximum load capacity: 6,615 lbs. (Item not shown.)

STC8919AA

Range Rover Winch

As you conquer life's demanding tasks, take an assist from this sturdy winch with a 9,500-lb. maximum load capacity. A remote control switch operates the device from distances of up to 12 feet. **There is no winch available for the 2010 model year Range Rover.**

For 2003-09 vehicles only (not compatible with supercharged vehicles) — KNK000060

Winch Accessory Kit — STC53202

INTERIOR

Inside the Range Rover, luxury and practicality are afforded equal importance. Premium carpet mats are available in a number of colors. Loadspace protectors and waterproof seat covers safeguard the vehicle's interior from the effects of heavier use, while two styles of cargo barriers assist in keeping loose objects secure.

Load Retention System

Includes floor net and two ratchet straps. Strap length: approximately 78". Luggage net: approximately 39" x 13". VUB000700

Side Luggage Nets (Pair)

VUB000710

Cargo Barrier — Half Height

Easily removed.
LR007320

Half Height Cargo Barrier for Range Rovers equipped with reclining rear seat — VPLMS0040

Cargo Barrier — Full Height

Easily removed, incorporates useful integral ski hatch. Retractable Loadspace Cover can still be fitted. Not compatible with vertical blind and Loadspace Protector.
VUB503890

Full Height Cargo Barrier for Range Rovers equipped with reclining rear seat — VPLMS0039

Loadspace Protector

With removable eyelets that provide easy access to tie-down points, this accessory also includes an anti-slip mat (not shown).
EBF000040

Loadspace Rubber Mat

Helps protect carpet from dirt. Waterproof with retaining lip and non-slip surface.
LR003894

Flexible Loadspace Protector

Heavy-duty fabric protects loadspace up to window height. Includes protective gloves.
VPLMS0017

Gun/Security Box

Heavy gauge steel with two high security locks.
Internal Dimensions: 34" long x 7" wide x 7" high.
STC8018AB

Installation Kit (not shown)
VUB000750

Premium Carpet Mat Set

Deep pile carpet with waterproof backing.

For 2003-06 vehicles — VUB001060

RANGE ROVER

LAND ROVER

landrover.com/ourplanet

Our commitment is to a sustainable future. In everything from the design of our vehicles and the way we build them to how and where we use them and, at the end of their life, how they can be safely disposed of, Land Rover is committed to a sustainable future. We're committed to reducing our impact on the environment and are working in four key areas.

e_TERRAIN TECHNOLOGIES

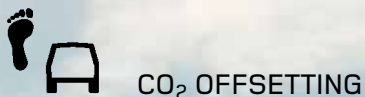

In 2007 we announced a joint investment into new technologies to improve the environmental performance of our vehicles. This joint investment now stands at \$1.3 billion. In 2008, we revealed our new concept vehicle, the LRX; a Land Rover in body and spirit but conceived as a hybrid 2.0-liter diesel with potential CO₂ emissions of 120g/km.

SUSTAINABLE MANUFACTURING

World-class manufacturing facilities. Certified to ISO 14001 since 1998.

Our manufacturing facilities at Solihull and Halewood have reduced emissions by around 4 percent year on year, over the past 5 years. Total energy used in manufacturing each vehicle has been reduced by 19 percent since 2002 while water use per vehicle has been cut by 14 percent over the same period. We're also offsetting all CO₂ emissions by the manufacturing assembly of Land Rover vehicles at both plants. Partnered with specialist organization Climate Care, our projects include a wind farm in China and hydroelectric generators in Tajikistan. In addition, Land Rover vehicles are now designed to be 85 percent recyclable with all current models meeting the European End of Life Vehicles Directive. Sustainable and recyclable materials play an important role too: LR2 contains 10 percent recycled and 10 percent renewable materials.

CO₂ OFFSETTING

In 2006, in the UK, we launched a pioneering program for customers, independently administered by Climate Care, to offset CO₂ emissions for the first 45,000 miles of all new Land Rovers. This program is being rolled out progressively to other countries around the world. We're also the first automotive company to offset 100 percent of our manufacturing assembly CO₂ emissions.

GLOBAL CONSERVATION AND HUMANITARIAN PROJECTS

Land Rover vehicles are used by conservation and humanitarian organizations worldwide and are often first choice for difficult tasks. Organizations include the Born Free Foundation, Biosphere Expeditions, Royal Geographical Society (with IBG), China Exploration and Research Society and Earthwatch Institute. Our projects are diverse, ranging from an initiative to help with the protection of rare wolves in Ethiopia, to a project funded by our CO₂ offset program that provides efficient cooking stoves to rural parts of Uganda.

OUR PLANET — We take our responsibility to our planet very seriously. Our vehicles are designed for purpose. As part of our Fragile Earth policy, Land Rover has actively promoted responsible off-road driving since 1990. Our Experience Centers teach drivers to understand the full potential and unique breadth of the capability of their vehicles while reducing impact on nature and the environment in a wide range of activities.

To find out more, and to see our progress, visit www.landrover.com/ourplanet.

All Land Rover-approved Accessories fitted by a Land Rover Retailer within one month or 1,000 miles (whichever occurs first) of the handover of a new vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12-month unlimited mileage warranty. All Land Rover-approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and, importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. Although Land Rover takes the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. These products vary from market to market. Please consult your Land Rover Retailer who will be pleased to advise you on current specifications. Distributors and Retailers are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation. www.landrover.com

Genuine Land Rover KIT assures confidence

Land Rover would like to remind you that accessories which are non-genuine Land Rover are not warranted by Land Rover North America and may not be serviceable at other Land Rover Retailer Centers. If your Land Rover Center or sales guide offers you non-genuine Land Rover parts or accessories, we recommend finding out whether they have a warranty, where they can be serviced, and what company provides these warranties and service.

Please recycle this brochure after use.
