SPECIFICATIONS

Page 26

With its three classic lines of the lower accent graphic, roofline and continuous waistline, the Range Rover is unmistakable. The iconic silhouette is gently tapered and curved, while the use of near-flush glazing and gloss black pillars accentuates the floating roof enhancing its streamlined and elegant form.

Vehicle shown above is Autobiography in Aruba.
Vehicle shown left is Autobiography in Aruba with 22 inch five split-spoke 'Style 504' alloy wheels.

With an all-aluminum body and true Land Rover capability at its heart, the Range Rover delivers incredible off-road performance with an impressive wading depth, raised air intake and class-leading departure angles.

Vehicle shown left is Autobiography in Aruba.

Vehicle shown above is Autobiography in Aruba with 22 inch five split-spoke 'Style 504' alloy wheels.

A sure-footed, composed drive is enhanced by the latest four-corner air suspension which provides exceptional wheel articulation and poise. The Auto* setting on Terrain Response® 2**, the latest generation Terrain Response system from Land Rover, automatically optimizes vehicle settings to suit almost any terrain.

The split tailgate is distinctly Range Rover. Its electronically operated upper and lower tailgates help provide a platform for social and sporting events coupled with greater protection from the elements.

*Standard on Supercharged, Autobiography and Autobiography Black models.

**These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult owner's manual or your local Land Rover Retailer for more details.

Vehicle shown right and above is Autobiography in Aruba.

Refinement is inherent in the Range Rover. Its interior gives a sense of calm and luxurious comfort. It is beautifully appointed and thoughtfully designed; the broad center console puts essential controls within easy reach while clean surfaces and the use of soft supple leather, wood veneers and highly polished finishers help create contemporary, comfortable surroundings.

Vehicle shown left is Autobiography in Indus Silver with 22 inch five split-spoke 'Style 504' alloy wheels.
Interior colorway shown above in Espresso/Ivory with Ivory seats in Semi-Aniline leather with Figured Macassar Wood Veneer and optional heated wood and leather steering wheel.

Flooding the interior with light, the sliding* panoramic roof enhances the feeling of space and a connection to the world outside. Yet, at the touch of a button, the driver and passengers can feel cocooned once more as the full-length power blind glides into place.

*Optional on the Range Rover model. Standard on HSE, Supercharged, Autobiography and Autobiography Black models.
Interior colorway shown left in Espresso/Ivory with Ivory seats in Semi-Aniline leather and sliding panoramic roof.

For pure indulgence and refinement in an SUV, nothing comes close. Whether passengers relax or work in the Rear Executive Class seats*, they will undoubtedly enjoy their individual leather seating with massage function and sweeping center console.

*No cost option on Autobiography models. Standard on Autobiography Black.

Vehicle shown right is Autobiography in Indus Silver with sliding panoramic roof. Interior colorway shown in Ebony/Ivory with Ivory seats in Semi-Aniline leather and Figured Macassar Wood Veneer

The exceptional quality of the Meridian™ sound system brings a concert hall experience into the Range Rover. Twenty-nine speakers ensure you hear every note while mood lighting creates the right ambience. There is a palette of ten colors* to choose from and simply operated variable brightness controls ensure personal preferences.

*Standard on Autobiography, Autobiography Black and on Supercharged and HSE Long Wheelbase.

Interior colorway shown left is Autobiography with Rear Executive Class seats in Espresso/Ivory with Ivory seats in Semi-Aniline leather and Figured Macassar Wood Veneer.

Vehicle shown above is Autobiography in Aruba.

The sense of extraordinary comfort is realized in the Range Rover Long Wheelbase, providing an extra 7.32 inches in the second row and affording rear passengers an extended recline.

Interior colorway shown left is Autobiography Long Wheelbase with Rear Executive Class seats in Ebony/Ivory with Ivory seats in Semi-Aniline leather and Grand Black Wood Veneer.
Vehicle shown above is Autobiography Long Wheelbase in Barolo Black with 22 inch five split-spoke 'Style 504' alloy wheels.

To drive the Range Rover is to experience effortless elegance. From some of the most demanding terrains to negotiating rush hour city traffic, it delivers a relaxed, intuitive and rewarding drive.

Vehicle shown right is Autobiography Long Wheelbase in Barolo Black.

Interior colorway shown above in Espresso/Ivory with Ivory seats in Semi-Aniline leather, with Figured Macassar Wood Veneer and optional heated wood and leather steering wheel.

The Range Rover drive is confident and assured with the legendary Command Driving Position* giving the driver the best possible view of the road ahead. Available as standard, the Adaptive Dynamics* features variable dampers to deliver optimum ride, control and composure. Dynamic Response*[†] improves vehicle handling and occupant comfort by reducing the amount of body lean during cornering through independently regulating the front and rear suspension units. When you're in a Range Rover, the miles seem to fly by.

*These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult owner's manual or your local Land Rover Retailer for more details.

[†]Standard on Supercharged, Autobiography and Autobiography Black models.

Vehicle shown left and above is Autobiography Long Wheelbase in Barolo Black with 22 inch five split-spoke 'Style 504' alloy wheels.

Henry Poole & Co, Saville Row, London

Craftsmanship never goes out of style and some forty years of expertise in designing Range Rover is now manifest in the Autobiography Black model. From the unique front grille to the side and auxiliary vents, every tailored aspect whispers refinement and attention to detail.

Soft, supple and alluring to the touch, the very finest perforated Semi-Aniline leathers are featured on all seats. Sourced from one establishment, the hides are tanned through an organic process that features bark extract from Black Wattle trees. Sustainable woods and generous veneers on the center console and fascia add to the sense of natural craft and refinement.

SPECIFICATION

Range Rover offers an exclusive range of options that allow you to personalize your vehicle. The following pages take you through a logical series of steps to bring your individuality to life.

You can start with our online configurator at LandRoverUSA.com

Step 1

Choose your engine

Page 28

You can select from an improved line-up of powerful and refined gasoline engines.

Step 2

Choose your model

Page 30

Compare the standard features on each model, with the additional choice of Standard or Long Wheelbase versions.

Step 3

Choose your color

Page 40

There is a wide range on offer to enable you to express yourself.

Step 4

Choose your wheels

Page 44

There is a range of styles, each one designed to complement the bold exterior.

Step 5 Choose your interior

Page 46

Carefully selected colors complemented by wood veneers. You can personalize your own interior space.

Step 6 Choose your options

Page 70

Additional options can enhance your personal requirements.

Key Features

Page 76

The latest innovations that make your drive special.

Technical Details

Page 80

All you need to know about dimensions, performance specifications and key data.

Accessories

Page 82

A unique range of accessories that add individual style.

STEP 1 CHOOSE YOUR ENGINE

DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

The high performance gasoline engines use the latest powertrain technology.

The “Intelligent” Stop/Start system automatically shuts down the engine as soon as the vehicle comes to rest. The engine automatically starts again as soon as the brake pedal is released.

(1) Standard Wheelbase only.

*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these systems will correct errors of judgment in driving. Please consult the owner's manual or your local Land Rover Retailer for more details.

¹Please remember that the safety belts in a vehicle constitute the primary protection system for driver and passengers in collisions. Airbags are not designed to deploy in all collisions. The airbag Supplemental Restraint System (SRS) is a supplement to the safety belts and is designed to work as a system with the safety belts. Although airbags provide additional protection, airbags without safety belts do not provide optimal protection in a crash. Always wear your safety belts. Children younger than 13 years old should always be properly restrained in a back seat, away from airbags. Never place an infant seat in the front seat.
