For more information please call our dedicated parts teams at the site of your choice.

### Harwoods Advantage Used Warranty (Advantage Vehicles Only)

At Harwoods we also run our Harwoods Advantage program which gives peace of mind on our Used vehicles should it not

be covered by a Land Rover Approved warranty. Please call the site for further details

We know that developments in recent years have seen a huge improvement in vehicle design, manufacturing and reliability. This reliability has however come at a cost ? The complexity and expense of replacement parts, and whilst we strive to prevent any unforeseen component failure, no amount of servicing and maintenance can guarantee years of trouble-free motoring. An inclusive warranty is reassurance that repairs and replacements are covered during the first 12 months and a comprehensive warranty programme is available to mirror your motoring needs.

Thank you.
